

Susanne Beach

Preschool Teacher

I grew up in Salzburg, Austria and have 2 sisters and 4 brothers. I became a dental assistant and worked for two years after which I decided I wanted to become a teacher. I moved to Utah and attended Brigham Young University and received my teaching degree there.

While attending BYU I married my husband Paul Beach. I also worked at the MTC and taught German 101 at BYU. My husband and I have been married for 16 years. We are the parents of three boys and one daughter ages 5 to 14. Our kids keep us busy with all their different after school activities. They are involved in orchestra, piano, dance, scouting, and sports. For the last eight years I have worked as a substitute teacher in the Alpine, Provo, and Nebo School Districts. I really enjoyed getting to know different teachers and their teaching styles. I learned so many interesting things that I am now implementing in my classroom.
